In the name of the Father, and of the Son, and of the Holy Spirit, Amen.

Ever-present Lord,

Your will is perfect in all things.

Your Kingdom is everywhere, all around us and within us.

You come to us always.

Give us eyes of faith,

so that we may continually see Your hand at work, especially in the work we do in

Your name together for our students, our school, and our school community.

Give us a trusting heart,

**so that we will never waver in hope that You will always answer our prayers in
accordance with Your will.**

So often in our struggle we do not hear You or perceive Your presence.

Help us to live continually for You and by Your grace.

May we always know and understand our need for Your grace.

**May we always be attentive to all that You wish to reveal to us, of the mysteries You
do reveal. Increase our faith, dear Lord, so that we may know You and join in the
upbuilding of Your glorious Kingdom.**

Amen.
